

— A LIVESTREAM & PODCAST CAFE BAR —

*Spill Your Story. But **Don't** Spill Your Drink.*

INVESTOR OVERVIEW

A NEW KIND OF **SOCIAL** VENUE. **MEDIA** BUILT IN.

FIRST WE DANCED. THEN WE SANG. NOW WE **SPILL**.

COFFEE.
COCKTAILS.
CONVERSATIONS.
CONNECTIONS.
CONTENT.

SAIGON DOESN'T NEED
ANOTHER **CAFÉ.**

IT DOESN'T NEED
ANOTHER **BAR.**

IN FACT, IT DOESN'T EVEN
NEED ANOTHER **CAFÉ-BAR.**

WHAT IT NEEDS IS
A NEW KIND OF SOCIAL VENUE.

WHAT IS **SPILL SAIGON**?

SPILL SAIGON is a premium café-bar and social venue where **real-world connection comes first** — with media built in.

People come for coffee, cocktails, food, friends, dates, meetings, conversation and discovery. They can simply enjoy the venue, or take the experience further through the **SPILL Confessional**, **SPILL Livestream** or **SPILL Podcast**.

People come together first. **The conversations, chemistry, stories, ideas and unexpected moments** happen in the real world. Then media is built around them.

PARTICIPATION IS OPTIONAL.
POSSIBILITY IS ALWAYS PRESENT.

BRINGING THE SOCIAL BACK TO **SOCIAL MEDIA**

A spontaneous moment can become a **podcast**.

LIVE

A spontaneous moment can become a **livestream**.

A confession can become a **story**.

Something that begins between two people in Saigon can travel to **thousands beyond it**.

But the content is never the starting point. **The people are.**

SPILL is not a podcast studio with a café attached. It is not a livestream set pretending to be a bar. And it is not another café trying to manufacture content for social media.

Spill is a real social venue designed from the ground up with media built into it.

NOT ANOTHER CAFÉ-BAR.
A NEW KIND OF SOCIAL VENUE
FOR SAIGON — WITH MEDIA BUILT IN.

Why “**SPILL**”?

THE SPILL NAME ALREADY MEANS
WHAT THE EXPERIENCE IS **BUILT TO DO**.

SPILL:

TO SHARE, REVEAL, EXPRESS OR OPEN UP—
PRIVATELY, PUBLICLY, OR SOMEWHERE IN BETWEEN.

“LET’S GO SPILL.”

— I HAVE SOMETHING I
WANT TO TALK ABOUT.

An invitation to **SPILL** should
feel like an invitation to a
conversation that matters.

THE **SPILL** CODE

P

A NEW SOCIAL BEHAVIOUR

First we danced.
Then we sang.
Now we **spill**.

CLUBS GAVE US THE **DANCE FLOOR**.
KARAOKE GAVE US THE **MICROPHONE**.
SPILL GIVES US THE **MEDIA PLATFORM**.

Some of the strongest social experiences become bigger than the venues that host them — they become **things people do**.

THEN: CLUBS

We went out
to dance.

THEN: KARAOKE

We went out
to sing.

NOW: SPILL

We go out to connect,
create and share.

“We don’t just want people to visit SPILL.
We want people to **“go spill.”**”

SPILL is designed to become a new activity that people do together to **connect, share and be part of something real.**

FROM VENUE TO BEHAVIOR

SOME OF THE STRONGEST SOCIAL EXPERIENCES **BECOME BIGGER THAN THE VENUES THAT HOST THEM.** THEY BECOME THINGS PEOPLE DO.

People do not say,
'Let's go somewhere with microphones
and instrumental tracks.'

They simply say:

"LET'S GO KARAOKE."

That is the cultural territory SpILL is designed to pursue.
The goal is for SpILL to become more than the name of a
venue: a **social invitation**, a **verb**, and eventually a
recognizable behavior.

**WE DON'T JUST WANT PEOPLE TO VISIT SPILL.
WE WANT PEOPLE TO "GO SPILL".**

**KARAOKE WAS NOT
BUILT FOR
MUSICIANS. IT WAS
BUILT FOR
EVERYDAY PEOPLE.**

**SPILL IS NOT BUILT
FOR INFLUENCERS.
IT IS BUILT FOR
EVERYDAY PEOPLE.**

BORN IN VIETNAM. BUILT FOR THE WORLD.

SPILL SAIGON is not an imported concept adapted for Vietnam. It is a Vietnam-first concept designed with the potential to travel from Vietnam to the world.

VIETNam is not only the first market. Vietnam is the origin story.

A future **SPILL BANGKOK** can belong to Bangkok.
A future **SPILL TOKYO** can belong to Tokyo.
But SPILL culture itself will always have been born in Vietnam.

**THE AMBITION IS NOT TO IMPORT A TREND,
BUT TO BUILD A LOCAL ONE THAT CAN BE EXPORTED TO THE WORLD.**

**HOSPITALITY
CREATES MOMENTS.
MEDIA
CREATES REACH.

HOSPITALITY

Creates real
human moments.

MEDIA

Amplifies moments to
a wider audience.

SPILL SAIGON

Connects both worlds within
one business model.

SPILL SAIGON IS PURPOSELY DESIGNED TO
SEAMLESSLY CONNECT THOSE WORLDS WITHIN
ONE BUSINESS MODEL.

THE OPPORTUNITY

Most hospitality venues monetize the customer while they are inside the venue. For most, **the commercial value ends when the transaction ends.**

SPILL's café-bar creates **real-world traffic, spending, social energy** and **human interaction**. The built-in media platform turns the best of that activity into **content that travels beyond** the venue.

Foot traffic can become **participation**.
Participation can become **content**.
Content can build **audience**.
Audience can **drive** customers, partnerships, sponsorships and **revenue back to the venue**.

A CAFÉ-BAR BUILT FOR THE PHYSICAL AND DIGITAL WORLD

One location, one brand and one operating infrastructure can serve different customer needs, occasions and spending patterns across more hours of the day.

From day into night, people meet, talk, work, create, connect and participate while coffee, tea, food, beer, wine and cocktails remain part of the same venue experience.

The atmosphere changes with the hour. The hospitality, community and media platform remain continuous.

ONE VENUE. MANY MOMENTS. CONTINUOUS EXPERIENCE.

ONE LOCATION. MORE HOURS. MORE OCCASIONS.
ONE CONTINUOUS EXPERIENCE.

THE LOOP

Hospitality and great drinks bring people in.
Participation gives them a reason to engage.
Their stories create content. Content builds audience.
Audience creates media value.

That media value drives attention, customers, partnerships and revenue back to SPILL SAIGON.

Hospitality and media are not separate businesses sharing one roof. They are designed to continuously grow one another.

ONE CUSTOMER CAN CREATE A TRANSACTION. ONE GREAT MOMENT CAN CREATE CONTENT. ONE PIECE OF CONTENT CAN REACH THOUSANDS.

HOSPITALITY BRINGS PEOPLE IN

Great drinks.
Great experience.
Real connections.

PARTICIPATION CREATES ENGAGEMENT

Open mic, live music, events and interactions turn guests into participants.

AUDIENCE CREATES MEDIA VALUE

Meetings, creator work, private conversations, Confessionals, podcast production and livestream programming.

02

NIGHT MODE

DARKER • COLORFUL • INTIMATE

THE CUSTOMER SHOULD FEEL THE ATMOSPHERE CHANGE — NOT THE BUSINESS.

**THE ROOM IS
DESIGNED FOR
SHARED ATTENTION
— WITHOUT
DEMANDING IT.**

**THE NON-NEGOTIABLE:
THE EVENING ATMOSPHERE
REMAINS CONVERSATION-FIRST.**

ONE BRAND. **FOUR** WAYS TO PARTICIPATE.

01

THE PRIVATE TABLE

Intimate connection.
The story can stay
right here.

02

THE CONFESSIONAL

Private recording.
Just you, your drink
and your story.

03

THE LIVESTREAM

Public visibility. Take your
story, talent, business or
idea to the SPILL audience.

04

THE PODCAST

stories return for a
professionally produced
long-form conversation.

**THE CUSTOMER

FIRST STEPS.**

**THE PLATFORM
CURATES THE
PUBLIC STAGES.**

*SPILL YOUR STORY.
BUT DON'T SPILL YOUR DRINK.*

SPILL SAIGON CONFESSIONAL

The Confessional is the low-pressure entry point between private conversation and public participation.

JUST YOU, YOUR DRINK, AND YOUR STORY. Choose a prompt. Record for a limited period. Then decide what happens next: keep it private, receive it as a keepsake, authorize SPILL to feature it, or submit it for consideration on the Livestream.

It is simultaneously a signature experience, discovery engine, content pipeline, ethical control point and direct monetization opportunity.

A COMPELLING CONFESSIONAL CAN EARN AN INVITATION TO THE **LIVESTREAM**.
A STANDOUT LIVESTREAM CAN EARN AN INVITATION TO THE **PODCAST**.

**MAKE THE
CONFESSIONAL
ICONIC**

THE CONFESSIONAL CAN BECOME TO SPILL, WHAT THE MICROPHONE IS TO KARAOKE.

SPILL SAIGON LIVESTREAM

The Livestream is not a studio rental. It is an owned show and distribution platform.

THE PRODUCT IS AUDIENCE ACCESS. People already own phones and can go live from anywhere. SPILL becomes valuable when appearing offers something better: a credible setting, professional production, social proof, community, discoverability and access to an audience the brand has built.

Programming, not chaos. Curated broadcast windows, a host/producer, clear standards and repeatable formats protect quality and create sponsor-friendly inventory.

AUDIENCE ACCESS
People go live from anywhere. We give them a stage worth watching.

CREDIBLE SETTING
A professional environment that builds trust and attention.

SOCIAL PROOF & COMMUNITY
Real people, real reactions, real connection.

DISCOVERABILITY
Curated shows and clips that get found and shared.

ACCESS TO OUR AUDIENCE
Tap into an audience the brand has built and nurtured.

SPONSOR-FRIENDLY INVENTORY
Quality control and standards create repeatable value for partners.

STREAMING IS A TECHNOLOGY. SPILL IS A SOCIAL EXPERIENCE. LIVESTREAMING IS A FEATURE. SPILL IS THE BEHAVIOR.

SPILL SAIGON PODCAST

The Podcast is the flagship long-form format.
It can feature established personalities and invited guests,
but its most distinctive source of talent may be SpILL SAIGON itself.

THE FLAGSHIP FORMAT

A memorable Confessional or Livestream
becomes the audition no one had to call.

DISCOVERY INTO DEPTH

The Podcast turns discovery into depth, creating
premium intellectual property, long-tail content,
sponsorship inventory and brand authority.

AUTHORITY & IMPACT

It elevates voices, builds lasting value
and strengthens the SpILL SAIGON brand.

COME BACK. WE WANT **THE FULL STORY.**

WHY WOULD PEOPLE COME TO **SPILL** IF THEY CAN LIVESTREAM FOR FREE?

People can also sing at home for free. Karaoke did not succeed because people lacked access to microphones. It succeeded because it turned participation into a social experience.

A person comes to SPILL because it gives them a place to belong, people to interact with, a credible setting, professional production, opportunities to be discovered, access to an audience, and the possibility that an ordinary night becomes something worth sharing.

TikTok, YouTube and Instagram are distribution platforms. SPILL is the physical experience and content-generation environment that feeds them.

WE ARE NOT SELLING THE ABILITY TO STREAM.

WE ARE SELLING THE EXPERIENCE OF HAVING SOMETHING WORTH SHARING.

**WE DON'T HAVE TO
INVENT STORIES.**

**WE BUILD THE PLACE

**THE HOSPITALITY BUSINESS BECOMES
THE DISCOVERY ENGINE FOR THE
MEDIA BUSINESS.**

WHAT STOPS SOMEONE FROM COPYING THIS?

A competitor can buy microphones, cameras, LED lights, cocktail equipment and coffee machines.

What is harder to copy is audience, community, reputation, programming quality, recurring participation, local cultural relevance, content library, sponsor relationships and the meaning attached to the word and brand SPILL.

The media makes SPILL unique. The hospitality has to make people come back.

THE MOAT IS NOT THE STUDIO.

**THE MOAT IS BECOMING

SAIGON GOES TO TALK**

**— AND THE PLATFORM
PEOPLE WANT TO BE SEEN
AND HEARD ON.**

**MAKE “LET’S GO SPILL”

WHAT INVESTORS ARE BACKING

A differentiated day-to-night hospitality concept and an owned media platform built into the venue itself.

An audience that can outgrow the venue, a culturally relevant community and discovery platform, and the potential to create a recognizable social behavior.

A sponsor-friendly media and experience platform, a scalable brand, and a concept designed to prove itself before it scales.

THE INVESTABLE IDEA: A HOSPITALITY BUSINESS WITH MEDIA ECONOMICS – AND A MEDIA BUSINESS WITH A PHYSICAL COMMUNITY AT ITS CENTER.

WHY SAIGON. WHY NOW.

Spill Saigon brings together four forces already shaping urban life in Saigon — and turns them into one destination.

14M+

Population of expanded Ho Chi Minh City

85.6M

Internet users in Vietnam

79.0M

Social-media user identities in Vietnam

Following the July 2025 administrative consolidation, official Ho Chi Minh City sources describe the expanded city as having more than 14 million residents. DataReportal reports 85.6 million internet users in Vietnam and 79.0 million social media user identities in late 2025.

Digital reach is abundant. Physical connection remains valuable. The World Health Organization's 2025 Commission on Social Connection describes loneliness and social isolation as widespread issues with meaningful consequences for health, well-being, and society. Spill Saigon will not position itself as therapy. Its role is more natural: create a place where adults have a reason to sit down, talk, listen, participate, and be heard.

THE OPPORTUNITY IS NOT TO COMPETE WITH SOCIAL MEDIA.

It is to give social media a physical home — turning online attention into real-world participation and real-world participation back into content, audience, and growth.

THE CORE COMMUNITY

18+ SOCIAL AUDIENCE

Adults seeking a culturally relevant place to meet, date, talk, relax, and participate.

CREATORS & EMERGING TALENT

People who want a credible place to practice, publish, perform, promote, and be discovered.

FOUNDERS & PROFESSIONALS

People and businesses that need conversations, content, launches, and audience-building opportunities.

CITY CULTURE

Artists, musicians, international residents, visitors, personalities, and communities shaping modern Saigon.

THE REVENUE MODEL

ONE VENUE. MULTIPLE WAYS TO EARN.

01

HOSPITALITY

Coffee • Food • Cocktails

The everyday revenue engine.

03

MEDIA

Podcast • Livestream
• Branded content

The room becomes a platform.

02

EXPERIENCES

Events • Live shows
• Special nights

Reasons to visit and return.

04

PARTNERSHIPS

Sponsors • Brand activations
• Collaborations

Audience creates commercial value.

THE GOAL IS NOT TO MONETIZE ONE CUSTOMER ONCE.

IT IS TO BUILD MORE VALUE AROUND EVERY VISIT.

PARTNERSHIPS SHOULD BE TREATED AS A CORE COMMERCIAL CAPABILITY, NOT A LOGO-PLACE AFTERTHOUGHT.

AS THE AUDIENCE GROWS, SPONSORSHIP VALUE
BECOMES LESS DEPENDENT ON THE NUMBER OF
PEOPLE PHYSICALLY INSIDE THE VENUE.

BUILDING A SAIGON MOVEMENT

SPILL can become more than a venue if the brand stands for a recognizable behavior: show up, talk to people, share what matters, listen to someone else, promote what you are building, and give a story somewhere to go.

Programming creates reasons to return. Community formats create reasons to belong. Local people, humor, businesses, creators, personalities, conversations, language and social energy make it unmistakably Saigon.

The long-term objective is cultural relevance: a place people suggest when they want somewhere interesting to go, and a platform people aspire to appear on when they have something worth saying.

REAL PEOPLE.
REAL CONVERSATIONS.
REAL STORIES.

WE TAKE YOUR STORY SERIOUSLY. WE DO NOT TAKE OURSELVES TOO SERIOUSLY.

THE VENUE CREATES
THE CULTURE.

THE MEDIA MAKES THE
CULTURE VISIBLE.

THE AUDIENCE BRINGS IT
BACK INTO THE VENUE.

WHEN "LET'S GO SPILL" NEEDS NO EXPLANATION,
SPILL HAS CROSSED FROM VENUE INTO CULTURE.

THE VENUE

THE MEDIA

THE AUDIENCE

the venue.

SPILL YOUR STORY.
DON'T SPILL YOUR DRINK.

SPONTANEOUS DOES NOT MEAN UNCONTROLLED.

We protect the experience, the people, and the brand — while keeping the energy human, real, and open.

CONVERSATION FIRST

Music, layout, lighting and capacity support social energy without turning the venue into a nightclub.

ALCOHOL + MEDIA SEPARATION

No visibly intoxicated guests on air. Consent and judgment first.

MODERATION BY DESIGN

Releases, standards, moderation, delay controls and clear rules.

BRAND SAFE BY CHOICE

Protect the guest, protect the brand, protect the story.

THE BRAND CAN FEEL OPEN, SOCIAL AND REAL WHILE THE OPERATION REMAINS DISCIPLINED.

VALIDATE THE AUDIENCE BEFORE OVERBUILDING THE REAL ESTATE

01

PHASE 1

BUILD THE AUDIENCE

Secure identity. Produce pilot content. Seed recurring formats. Test watch time, sharing and repeat interest.

PHASE 3

FLAGSHIP SPILL SAIGON

Open the full premium café-bar and media destination. Scale programming, memberships, production and sponsorship.

BUILD THE AUDIENCE, PROVE THE FORMATS, AND VALIDATE THE ECONOMICS BEFORE COMMITTING TO BROADER EXPANSION.

THE VENUE MODEL CAN **SCALE**.

A REPEATABLE MODEL DESIGNED TO BELONG TO EACH CITY

What can scale: café-bar format, Confessional-to-Livestream-to-Podcast architecture, operating standards, media technology, production systems, training, brand framework, commercial playbook, sponsorship formats and the physical-to-digital flywheel.

What stays local: language, hosts, guests, stories, creators, music, programming, partnerships, cultural references and community.

THE VENUE CAN BE FRANCHISED. THE SYSTEM CAN BE REPLICATED.

BUT THE MOST VALUABLE SCALABLE ASSET MAY ULTIMATELY BE THE BEHAVIOR ITSELF.

DEFINING THE SPILL BEHAVIOR

What does someone DO when they say, 'Let's go Spill'?

The stronger and simpler that answer becomes, the easier it becomes for SPILL to move from venue name to social behavior.

What stays local: language, hosts, guests, stories, creators, music, programming, partnerships, cultural references and community.

A future SPILL BANGKOK should feel like Bangkok.
A future SPILL TOKYO should feel like Tokyo.

PROTECT THE HOSPITALITY. BUILD THE BEHAVIOR. OWN THE FORMATS. GROW THE AUDIENCE.

THE SPILL CREW

'We don't just clean up Spills. We get them started.' The SPILL Crew are part of the experience itself: personality, social intelligence, confidence, humor, curiosity and the ability to help bring a room to life.

Internal strengths can include The Connector, The Instigator, The Listener, The Entertainer, The Curious One, The Story Spotter and The Social Anchor.

The Crew understands consent, privacy, conversation, introductions, participation and guest boundaries while bringing genuine personality to the role.

WE DON'T JUST HIRE STAFF. WE BUILD THE ROOM.

TRUTH LIVES HERE.

SPILL is not about forced disclosure.
We create an environment where people can
speak honestly, listen openly and feel less
pressure to perform.

SPILL is not a place where everyone has to share everything.
It is a place where people do not have to pretend.

A CULTURE, **NOT** A DEMAND

Leave the performance at the door.
Guests never have to reveal anything private,
participate publicly or appear on camera.

Candor without cruelty. Private still means private.
You can always pass.

If this culture becomes real, SPILL content can earn
a reputation generic creator content cannot easily copy:
better questions producing more honest,
surprising and human answers.

THE ADVANTAGE IS NOT MANUFACTURED DRAMA.
IT IS BETTER QUESTIONS PRODUCING BETTER ANSWERS.

Giving S.P.I.L.L Multiple Meanings

SPILL already has a clear core meaning. The word itself means to share, reveal, express or open up, while **THE SPILL CODE** gives the brand a simple behavioral framework.

S.P.I.L.L can also become a flexible creative asset — allowing different expressions to bring the culture to life across merchandise, campaigns, events, programming, communities and future cities.

BUILD A **SPILL COFFEE** BRAND

SPILL begins as a café-bar, which means coffee is already part of the everyday customer experience. Over time, a core hospitality product can become a recognizable consumer brand of its own.

Make Vietnam part of the product story. Build from hospitality into retail. Explore local sourcing and collaboration. Create products people can take home.

The coffee can remain a visible connection to where the broader SPILL culture began as future venues become locally rooted in their own cities.

THE PRINCIPLE: SPILL COFFEE SHOULD BE GOOD ENOUGH THAT PEOPLE WOULD **BUY IT** EVEN IF THEY HAD NEVER VISITED SPILL.

PROTECT THE CORE. TEST THE EXTENSIONS.

FOLLOW THE AUDIENCE.

Potential future layers include SPILL Local Legends, SPILL Originals, conversation products, pop-ups, a mobile Confessional, SPILL Passport, collaborations, city guides, publishing, learning and workshops, corporate experiences, Spill Sounds and giftable experiences.

Not every opportunity should be pursued at launch. Each should be tested against a simple question: DOES THIS MAKE THE SPILL BRAND, BEHAVIOR OR COMMUNITY STRONGER?

If the answer is yes, investigate it.
If the answer is no, leave it alone.

BUILD WHAT **EARN**S THE RIGHT TO EXIST.
